"Advancing Airway Management: Bridging Borders, Sharing Expertise"

Dear Colleagues,

We are delighted to invite ENT Surgeons, Anaesthetists, and Pediatricians to the forthcoming Indo-US Airway Conclave, a landmark event uniting global pioneers in airway management. Co-hosted by AOI, ISA, AIDAA, LAP, and IAPA, this conclave is a unique opportunity to engage with cutting-edge innovations and collaborative expertise across specialities.

This premier gathering features a dynamic scientific agenda-from keynote lectures and live surgeries to hands-on workshops, AI-driven airway innovations, and interdisciplinary panel discussions. Spanning the breadth of adult and pediatric airway care, the program ensures practical learning and forward-looking dialogue.

We highlight one day of pre-conclave live surgeries, offering unmatched exposure to best-in-class airway techniques in real-time.

Join us next year to advance your practice, networking and shape the future of airway care.

Warm regards,
Organising Committee – AOI Lucknow.

Places to Visit- While attending the Indo-US Airway Conclave, explore some of India's most revered historical and spiritual landmarks near Lucknow

Ayodhya-Ram Temple

Ayodhya, just a few hours away, is home to the newly inaugurated Shri Ram Janmabhoomi Temple, a symbol of devotion and cultural resurgence. This sacred city, believed to be Lord Rama's birthplace, draws pilgrims from across the globe.

Varanasi (Kashi), the spiritual heart of India, hosts the magnificent Kashi Vishwanath Temple, dedicated to Lord Shiva. It offers an immersive experience of ancient rituals along the Ganges and timeless serenity.

**Varanasi
(Kashi Vishwanath)**

Agra-Taj Mahal

Agra, approximately 3 hours by Taxi/Car, unveils the world-famous Taj Mahal, a UNESCO World Heritage Site and eternal symbol of love and Mughal artistry.

These destinations provide enriching cultural experiences that beautifully complement the academic excellence of the conclave.
